## April 01, 2015

## Property Program Renewal

The Property Program renewed on March 31st. Evidence of renewal coverage will be available in the Members Areas of the [EIA Website](#), you should have already received an email notifying you that it is available.

Please note, OasysNet will be unavailable **Wednesday, April 1st through Tuesday, April 7th** in order to establish the Total Insured Values for binding with the carriers.

Please contact [Linnette Lee](#) if you have any questions or need immediate property schedule changes.

## EIA School Members' Training Session & Forum

The EIA has made it a high priority to connect with [schools members](#), including through annual roundtable sessions. This year's EIA School Members' Training Session & Forum will include guest speaker Tom DeLapp who will speak on Reputation Management and social media. There will also be time to check in with schools members regarding school-related issues. There will be two forums: April 15th in Ontario, and April 16th in Pleasanton.
