Travel to EIA Office: Highway Construction

Planning to be at the EIA office anytime during the next couple of months?

Beginning April 22nd there will be a major construction project on Highway 50. There could be significant delays on the highway. Alternate routes during this time are recommended. Construction is scheduled for the eastbound direction from April 22 – May 21, and the westbound direction from May 27 – June 25. For more information, including suggestions for alternate routes, you may visit <http://fix50.com/>.

Here is an alternate route from the airport to our office: Use I-80 East to Watt Ave; exit South on Watt Ave to on-ramp to US-50 East. The reverse would apply (US-50 East; exit North on Watt Ave to on-ramp to I-80 West) when heading back to the airport.
