2014 Annual Loss Data Collection is Underway

The 2014 Annual Loss Data requests were sent out in June to data providers for the GLI and EWC programs. If you have a TPA that administers your data, we will be working directly with them on your behalf. If you administer your own data, you or a designated contact should have received the annual request from us. Data is due to the EIA

Technology Committee, June 26, 2014

Executive Committee, June 26, 2014

by Tuesday, July 15, 2014. In June, the Underwriting Committee voted to use new a accelerated timeline on a trial basis for 2014. Please note though the due date remains the same, the reminders and dates to which penalties could be applied have changed. The new timeline is as follows:

	Original Dates	Revised Dates
Data due to EIA	7/15	7/15
1st late notice	7/20	7/20
2nd late notice	8/20	8/1
Final late notice/Penalty applicable	9/15	8/15

The data should be uploaded to the [EIA secure transmission](#) site. If you have any questions please contact [Laurel Raleigh](#).
